

# SOLAR-X POWER STATIONS (SXPS) – COMPLETE TURN-KEY SYSTEMS SYSTEM SPECIALISTS AND WHOLESALE DISTRIBUTORS SINCE 1998

**ITC Solar is Committed to Manufacturing and Distributing Industrial Grade Power Systems & Solar Modules. ITC Solar is a Wholesale Distributor and Integrator. We carry a wide range of Solar Panels, Systems & Products.**

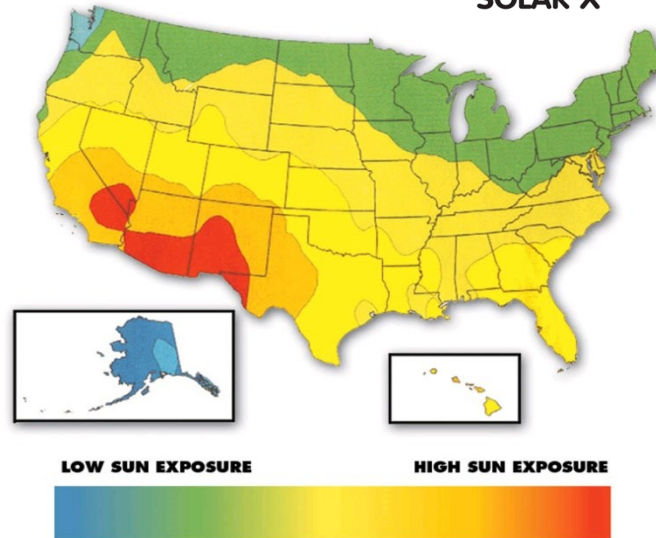

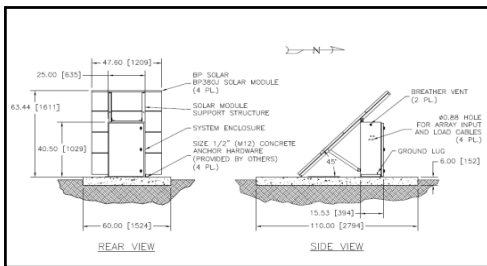

**SXPS™ (Solar-X Power Stations):**

Engineered to provide reliable, stand-alone solar power for every location and application. **SXPS™** are engineered to support a wide variety of remote solar battery power requirements with critical reliability in mind. **SXPS™** units consist of weatherproof enclosure, mount and batteries.

**APPLICATIONS:**

- 12 Volt battery charging
- Emergency communications
- SCADA systems
- Remote monitoring
- Railway signal lighting
- Street lighting Systems
- Cathodic Protection
- Oil & Gas
- RV and Marine
- Wireless PoE
- Wireless WaP & Wifi

# SOLAR-X POWER STATIONS (SXPS) – COMPLETE TURN-KEY SYSTEMS SYSTEM SPECIALISTS AND WHOLESALE DISTRIBUTORS SINCE 1998

## Solar-X Power Stations (SXPS™)

Complete, pre-wired solar power supplies for security, oil & gas pipelines, WiFi and Wimax, GPS & more  
SXPS are easy to install with all the major parts needed for your remote site installation  
Special Pricing for Contractors, System Integrators, VAR, OEM, Government, GSA

All SXPS™ are fully engineered and carefully designed using the following field proven components:

- High Efficiency Photovoltaic Solar Modules
- Solid State UL Listed Control Systems
- Sealed Maintenance-Free Batteries
- Weatherproof, Aluminum Battery Enclosures
- Pole & ground mounting systems
- Extra Room for your Equipment
- Highest Quality Hardware Accessories
- Comprehensive Installation Manual, Schematics

**24VDC, 48VDC, 12VAC & Larger Units Available Upon Request.**
